

Abstract title

FirstName, LastName

Working place, City, Country

E-mail: author@mail.ru

You can change this template and create your own abstract. The abstract should be no more than **3 pages** using this template file. Please, avoid short non-informative texts. To add references, please, use `\cite{1,2}`. To set theorems, use the environment `\begin{theorem}... \end{theorem}`.

Examples of inserting a figure and table are given below.

Figure 1: Figure example

To insert figures, please, use one of the following image file formats: png, eps, jpg, pdf.

Table 1: Example of a table

i	λ	N
1,01	6,75	2350
1,21	2,96	3600
1,33	2,53	3750
1,42	2,32	3900
5	1,23	6700
5,33	1,21	7500
6	1,18	8350
7	1,16	8911
8	1,13	9800

The research is supported by Russian Foundation for Basic Research, project 16-01-00005.
